Dance Recital Handbook

About SHINE

SHINE, Maples Academy of Dance’s annual year-end dance recital provides an opportunity for all of our dancers to showcase their talent and hard work in a professional dance setting. It is fun, exciting, and most important, an opportunity for each and every Maples Academy of Dance superstar to SHINE!

Maples Academy of Dance holds two different shows on recital weekend. Each show consists of two parts: Rehearsal and Performance. While we try to schedule a balanced show weekend for our dancers and dance families, some of our dancers who take multiple classes will be in both shows over the weekend. A breakdown is included at the end of this handbook.

Other Recital Tips

- Label your dancer's shoes, costumes, bags, etc with their name on the inside tags of each item.
- Dancers are permitted to have water in a sealable, re-usable bottle backstage. If your dancer requires a snack, please send a nut free, non-perishable snack like a granola bar or fruit snack in your dancer's bag. Snacks are not provided backstage for the dancers and parent volunteers are not responsible for assisting with snacks.
- Do not send valuables backstage with your dancer. This includes phones, tablets, iPods, money, etc, as the backstage area is very hectic. Maples Academy of Dance cannot monitor dancer's personal items and will not be held responsible for lost or broken goods.

- Backstage activities, like dvd's games, colouring/activity books are provided for the dancers to keep them entertained while they wait their turn to perform.
- Teachers and Studio Directors are very busy during recital weekend. Many teachers are responsible for upwards of 12-13 dances and countless dancers in each of their dances. Please ensure any questions you have are cleared up in advance of recital weekend.
- Please note: Recital weekend is busy for studio staff. Emails, phone calls, and messages on social media will be replied to as soon as a staff member is available to do so.

Recital Tickets

Recital tickets will go on sale on May 11, 2020 at 3pm in the studio office. The show has assigned seating and all people in attendance require a ticket. For fire regulations and insurance of the show, there is a no babes in arms policy.

Ticket Cost:

Single show \$20 per person
 Both shows \$30 per person – this applies to audience members who will be attending both Show A and Show B. Please note: we cannot guarantee you will have the same seats for both shows, as seat selection at the time of ticket sales is done on a first come first sold basis.

Tickets can be paid for by cash or cheque payable to Maples Academy of Dance. If you want to pay by credit card – there will be a \$1.00 service charge per ticket added to your ticket fee.

Volunteering for Recital

We rely greatly on our recital volunteers to help the show run smoothly. We'll be looking for parents, family, friends, and even older dance siblings to help out for Recital Weekend.

The volunteer commitment is short, approximately 3 hours and volunteer roles include ushers, dressing room monitors, and show runners. An official volunteer sign-up sheet will be posted in the lobby in May, but if you already know you want to help, please let the office know. Trust us, It's a lot of fun!

Thank you in advance to all of our superstar volunteers who make it possible for all Maples Academy of Dance dancers to *Shine* at recital.
