These types of injuries may be minor or serious and may result from one's actions, or the actions or inactions of others or a combination of both. I understand that certain activities require a minimum level of fitness and health (physical, mental and emotional) and that each person has a different capacity for participating in these activities. Some activities involve an intense level of activity. Dancers who wish to withdraw from class must provide written notification to Maples Academy of Dance. Refunds for those having made full or term payments will be based on the number of full months remaining less discounts. Expectations:

Proper dancewear is necessary to ensure the dancer gets the most out of class and to prevent injury. Dancers are required to come to class in the appropriate footwear, tights, body suit and hair (See Dress Code). It is understood and agreed that the Dress Code will be strictly enforced, and failure to come to class appropriately dressed may result in the dancer being removed from class.

In order for each dancer to reach their full potential, respect is essential, and we need both dancers' and parents' cooperation and good behaviour. Any parent or student acting in a disrespectful manner, or creating conflicts or making derogatory comments towards other parents, students, teachers, or other dance studios and dancers, will be strictly dealt with, and may result in the student being removed from class permanently (see Rules and Code of Conduct).

Costume Fee:

Costumes are required for the Year-End Recital. A \$40.00 Costume Deposit fee per class is due upon registration. Costume costs typically range from \$40.00 - \$75.00. Should your child's costume cost more than the Deposit, you will be notified and invoiced for the balance. Cost doesn't include dance tights or shoes. No Costume Deposit refunds will be provided for students who withdraw after January 1, 2012. Failure to provide the Costume Deposit will result in the dancer not receiving a costume.
