

## Spreading Holiday Cheer

This 2016 holiday season, Maples Academy of Dance was proud to help spread the holiday cheer at two great events: The Winnipeg Santa Claus Parade, and a performance for the residents at Amber Meadow.

Our Superstars did such a great job and performed with amazing spirit of the season. We're happy to be part of such a great community and couldn't be prouder of our dancers' energy and enthusiasm at these events!

Our dancers also participated in the collection of items for two holiday hampers. We were overjoyed with the positive response for our hampers and know everyone at the Winnipeg Pet Rescue Shelter and the Ronald McDonald House benefitted from our donations. Way to embrace the giving spirit, everyone!
